TO GAIN A GOOD REPUTATION

The way to gain a good reputation is to endeavor to be what you appear. That is precisely the manner in which Chamberlain's Cough Remedy has gained its reputation as a cure for coughs, colds, croup and whooping cough. Every bottle that has ever been put out by the manufacturers has been fully up to the high standard of excellence claimed for it. People have found that it can be depended upon for relief and cure of these ailments and that it is pleasant and safe to take.

THE SERMON ON THE MOUNT

What the constitution is to the federal government, the Sermon on the Mount is to the kingdom of righteousness which Christ came to establish in the world. Federal or state laws must be in harmony with the constitution, else be declared null and void.

All religious teaching, doctrine or creed must be in harmony with the "Constitution of the Kingdom"—the Sermon on the Mount—if they are to have any claim upon the love, loyalty, devotion and patriotism of the people.

The "Back to the Bible" bureau, which has been furnishing The Times with the daily Bible verses so much enjoyed by many of our readers, is sending us an arrangement of "The Sermon on the Mount" in seventeen sections, which we will publish from time to time. The first section appears today.

HOW BETTER THAN PILLS?

The question has been asked—In what way are Chamberlain's Tablets superior to the ordinary cathartic and liver pills? Our answer is, they are easier and more pleasant to take and their effect is so gentle that one hardly realizes that it is produced by a medicine. Then, they not only move the bowels but improve the appetite and strengthen the digestion.
